

Master's Programs eligible for Swedish Institute Scholarships, academic year 2008/2009

University	Master's Program
Blekinge Institute of Technology	Master of Science in Business Administration
Blekinge Institute of Technology	Master Programme in European Spatial Planning and Regional Development
Chalmers University of Technology	Automotive Engineering, Msc Progr
Chalmers University of Technology	Bioinformatics and Systems Biology, MSc Progr
Chalmers University of Technology	Complex Adaptive Systems, MSc Progr
Chalmers University of Technology	Design for sustainable development, MSc Progr
Chalmers University of Technology	Electric Power Engineering, MSc progr
Chalmers University of Technology	Geo and water engineering, MSc Progr
Chalmers University of Technology	Industrial Ecology - For a Sustainable Society, MSc Progr
Chalmers University of Technology	Intelligent Systems Design
Chalmers University of Technology	Management and Economics of Innovation, MSc Progr
Chalmers University of Technology	Microtechnology, MSc Progr
Chalmers University of Technology	Nanoscale Science and Technology, MSc Progr
Chalmers University of Technology	Software Engineering and Technology, MSc Progr
Chalmers University of Technology	Sustainable Energy Systems, MSc Progr
Chalmers University of Technology	Wireless and Photonics Engineering, MSc Progr
Gotland University	Master in International Management
Göteborg University	Complex Adaptive Systems, Master Program
Göteborg University	International Masters Programme in Marine Sciences
Göteborg University	Master Programme Conservation, Cultural-Historic Conservation
Göteborg University	Master Programme in Global studies
Göteborg University	Masters Programme in Social work and human rights
Göteborg University	Masters Programme in Systems Biology
Göteborg University	Software Engineering and Management, Master's Programme
Halmstad University	Applied Environmental Science
Halmstad University	International Marketing
Halmstad University	Masters Programme in Computer Systems Engineering
Halmstad University	Masters Programme in Financial Mathematics
Halmstad University	Masters Programme in Intelligent Systems
Högskolan Dalarna	One-Year Master Programme in European political sociology
Högskolan Dalarna	One-Year Master Programme in Solar Energy Engineering
Jönköping University	Innovation and Business Creation (Two Years)
Jönköping University	International Logistics and Supply Chain Management, Master Programme (Two Years)
Jönköping University	Master Programme in Economics (Two Years)
Jönköping University	Information Technology and Management Business Development
Karolinska institutet	Master Programme in Global Health
Karolinska institutet	Master Programme in Biomedicine
Linköping University	Master's Programme in Business Administration - Strategic Management in International Organizations
Linköping University	Master's Programme in Health and Society
Linköping University	Master's Programme in International and European Relations

Linköping University	Master's Programme in Science for Sustainable Development
Linköping University	Masters's Programme in Computer Science
Luleå University of Technology	Electronic Ecommerce, master
Luleå University of Technology	Master of Science with a Major in Mechanical Engineering, with a specialization in Sustainable Energy Engineering
Luleå University of Technology	MSc Programme with a Major in Applied Physics and Electrical Engineering with specialization in Electrical Engineering
Luleå University of Technology	MSc Programme with a Major in Chemical Engineering, Specialization in Minerals and Metallurgical Engineering
Luleå University of Technology	MSc Programme with a Major in Natural Resources Engineering, Specialization in Exploration and Environmental Geosciences
Luleå University of Technology	MSc with a Major in Space Science and Technology
Lund University	Economics
Lund University	Environmental management and policy
Lund University	Environmental Studies and Sustainability Science
Lund University	Information Systems
Lund University	Master Programme in Biotechnology
Lund University	Master Programme in Development Studies
Lund University	Master Programme in Economic Demography
Lund University	Master Programme in Economic Research Methods
Lund University	Master Programme in Economics
Lund University	Master Programme in European Affairs
Lund University	Master Programme in European Business Law
Lund University	Master Programme in Finance
Lund University	Master Programme in Food Technology and Nutrition
Lund University	Master Programme in Gender Studies
Lund University	Master Programme in Global Studies
Lund University	Master Programme in International Development and Management
Lund University	Master Programme in International Human Rights Law
Lund University	Master Programme in Water Resources
Lund University	Master Programme of Public Health
Lund University	Masters Programme in Sustainable Urban Design
Malmö University	Master's Programme in Public health
Mälardalen University	Ecological Economics - Studies in Sustainable Development
Mälardalen University	International Business and Entrepreneurship
Mälardalen University	International Marketing
Mälardalen University	Master Program in Intelligent Systems- Artificial Intelligence profile, Biomedical Engineering Profile, Robotics Profile
Mälardalen University	Master Program in Product and Process Development - Production and Logistics
Stockholm University	Degree of Master of laws (One Year) in European Intellectual Property Law
Stockholm University	Degree of Master of Laws (One Year) in European Law
Stockholm University	Degree of Master of Laws (One Year) in International Commercial Arbitration Law
Stockholm University	Degree of Master of Laws (One Year) in Law and Information Technology
Stockholm University	International MasterProgramme in Social Work
Stockholm University	Master Programme in Accounting Auditing and Analysis
Stockholm University	Master Programme in Banking and Finance
Stockholm University	Master Programme in ICT for Development
Stockholm University	Master Programme in International Strategic Management
Stockholm University	Master Programme in Marketing, Management and Society
Stockholm University	Master's Programme in Ecosystems, Governance and Globalisation

Stockholm University	Master's Programme in Environmental Analysis and Management
Stockholm University	Master's Programme in Globalization, Environment and Social Change
Stockholm University	Master's Programme in International and Comparative Education
Stockholm University	Master's Programme in Molecular Life Sciences
Stockholm University	Master's Programme in Social Anthropology
Stockholm University	Master's Programme in Urban and Regional Planning
Swedish University of Agricultural Sciences	Agricultural Economics and Management - Master's Programme
Swedish University of Agricultural Sciences	Animal Science - Master's Programme
Swedish University of Agricultural Sciences	Biotechnology - Master's Programme
Swedish University of Agricultural Sciences	Ecology - Master's Programme
Swedish University of Agricultural Sciences	Environmental Communication and Management - Magister (1 year Master) Programme
Swedish University of Agricultural Sciences	Environmental Economics and management
Swedish University of Agricultural Sciences	Integrated water resource management - Master's Programme
Swedish University of Agricultural Sciences	Landscape planning - development and protection
Swedish University of Agricultural Sciences	Plant Biology - Master's Programme
Swedish University of Agricultural Sciences	Rural Development & Natural Resource Management - Master's Programme
Swedish University of Agricultural Sciences	Soil and water management - Master's Programme
Swedish University of Agricultural Sciences	Sustainable development - Master's Programme
Swedish University of Agricultural Sciences	Urban Forestry and Urban Greening - Magister (1 Year Master) Programme
Swedish University of Agricultural Sciences & Umeå University	Plant and Forest Biotechnology
The Royal Institute of Technology	Master (Two Years) Economics of Innovation and Growth
The Royal Institute of Technology	Master (Two Years) Electric Power Engineering
The Royal Institute of Technology	Master (Two Years) Engineering and Management of Information systems
The Royal Institute of Technology	Master (Two Years) Environmental Engineering and Sustainable Infrastructure
The Royal Institute of Technology	Master (Two Years) Information and Communication Systems Security
The Royal Institute of Technology	Master (Two Years) Materials Science and Engineering-Materials Processing
The Royal Institute of Technology	Master (Two Years) Production Engineering and Management
The Royal Institute of Technology	Master (Two Years) Real Estate Management
The Royal Institute of Technology	Master (Two Years) Spatial planning
The Royal Institute of Technology	Master (Two Years) Sustainable Energy Engineering
The Royal Institute of Technology	Master (Two Years) Sustainable Technology
The Royal Institute of Technology	Master (Two Years) System on Chip Design
The Royal Institute of Technology	Master (Two Years) Transport Systems
The Royal Institute of Technology	Master (Two Years) Urban Planning and Design
The Royal Institute of Technology	Master (Two Years) Wireless Systems
The Royal Institute of Technology	Master's Program Scientific Computing
Umeå University	Master Programme in Public Health
Umeå University	Master's Program in Tourism
Umeå University	Master's Program in Entrepreneurship
Umeå University	Master's Programme in Accounting
Umeå University	Master's Programme in Finance
Umeå University	Master's Programme in Management
Umeå University	Master's Programme in Marketing
Umeå University	Master's Programme in Molecularbiology
Umeå University	Master's Programme in Spatial Planning and Development

Umeå University	Master's Programme in Strategic Entrepreneurship (Nordic Joint Study Programme)
University College of Borås	MasterProgramme in Applied Textile Management
University College of Borås	MSc in Industrial engineering - Quality and Environmental Management
University College of Borås	MSc in Resource Recovery - Industrial Biotechnology
University of Kalmar	Master's Program in Growth Through Innovation and International Marketing
University of Gävle	Masters Programme in Electronics/telecommunications
University West	Informatics and Management
University West	Network Technology
University West	Software Engineering
Uppsala University	Euroculture
Uppsala University	International Humanitarian Action
Uppsala University	Master Programme in Applied Biotechnology
Uppsala University	Master Programme in Biology
Uppsala University	Master Programme in Development Studies
Uppsala University	Master Programme in Economics
Uppsala University	Master Programme in International Health
Uppsala University	Master Programme in Medical Nuclide Techniques
Uppsala University	Master Programme in Politics and International Studies Specialization Eurasian Studies
Uppsala University	Master Programme in Politics and International Studies Specialization Peace and Conflict Studies
Uppsala University	Master Programme in Politics and International Studies Specialization Political Science
Uppsala University	Master Programme in Social Science
Uppsala University	Master Programme in Sustainable Development
Uppsala University	Religion in Peace and Conflict
Växjö University	Master Programme in Electrical Engineering
Växjö University	Master Programme in Information Systems
Örebro University	Electronic Government
Örebro University	Global Journalism
Örebro University	Methods in Medical Diagnostics
